Message from the B.A.N.A. President

Greetings to all neighbors! I hope you like the appearance of our refreshed Barkley Place sign. I appreciate the efforts of several active members of our association on this project, particularly the work done by Aubrey.

At our July 29 association meeting we will ask for a vote to formally approve the current draft of our bylaws. We hope that you will review the copy that is enclosed with our newsletter. We'll also hold our annual election of officers and district representatives (for district 2, 4, and 6). Nominations are welcome at the meeting or in advance. Thanks for your ongoing support and participation. John Krupsky, President

FIRST THINGS FIRST:

Our new painted Subdivision sign is UP!! It looks GREAT !!

For all the neighborhood association members who worked on the design, construction, renovation and painting of it, a well-deserved

THANK YOU!

There are plans on the way to do some landscaping around the new sign.

WORK TO BE DONE

Status of patched road cut on Barkley Drive - An inspector with SSO project office has been contacted to restore the road cut to match the existing road level. Stay tuned for updates.

Glass and Cardboard Recycling Facts

Each family uses an average of 500 glass bottles and jars every year.

The largest glass furnace produces over 1 million glass bottles and jars per day.

Glass is 100% recyclable and can be reused over and over again.

Glass that is thrown into landfills will never decompose, putting a great strain on landfills with too much glass content.

Cardboard boxes and paper towel rolls are recyclable; however, packing material or Styrofoam are not part of the recycling program.

Visit WWW.BRGOV.COM/RECYCLE for more information.

Lorraine Woods accepted to fill out the position for District 6 Representative of our association. She will represent Barkley Place Lots 130-157 (aka Siegen Village). THANK YOU!

FYI – Copies of layout plans for the Siegen Village and Magnolia Chase Subdivisions will be available for distribution at our next B.A.N.A. meeting association.
