<u>District 6 Representative</u>	Lorraine Woods
<u>District 7 Representative</u>	Vacant

Message from the B.A.N.A President

Greetings to all neighbors! I hope you will be able to join us for our first in-person meeting since the start of the pandemic. This will be a good opportunity for us to interact and discuss topics more easily than we can during a virtual meeting. You are welcome to pay member dues at the meeting, in lieu of mailing you payment. Your dues support our ongoing activities to communicate with neighbors and government entities, along with efforts to maintain appearance of our subdivision entrances. I look forward to your participation and suggestions.

John Krupsky, President
(225)-767-4684

ATTENTION!

Door Prizes are given to four attendees so plan to attend our next meeting scheduled for Sunday, February 27, 2022 at 3:00 PM at the Bluebonnet Library.

Election of Officers and District Representatives

Duke Rivet, BANA representative for District 7 vacated his position effective January 1, 2022. Thank you for your help and efforts supporting our association. Annual elections for officers and district representatives will be held during our next summer meeting in July 2022.

Also, we thank Mary Fontenot for the help and assistance she gave to our association. She retired last December 2021 from the Community Outreach, Neighborhood Revitalization Department of Development. Enjoy your well deserve retirement, we wish you all the Best!

Rowdy J. Gaudet is our current District 3 representative for the Baton Rouge Metro Council. He won the election and assumed office on January 1, 2021, his term will end on December 31, 2024. He can be reached at 389-5162. On August 23, 2021, BANA Board members and District Representatives had the opportunity to meet him along with Fred Raiford, City of Baton Rouge Department of Transportation and Drainage Director, to discuss flooding and traffic issues in the area after 14

houses on Barkley and Sir Walter were flooded in May 2021. Afterwards, ditch and sewage cleaning activities were done in our subdivisions.

DISTRIT 7 Report – Magnolia Chase Subdivision

The reimbursement to the B.A.N.A treasury for the Magnolia Chase Subdivision sign has been completed as of this year! The sign was installed in 2014 by Lorio Design for a total cost of \$1,858.79. Many thanks to those Magnolia Chase property owners who contributed to this worthy cause over the past seven years.

KEEPING UP APPEARANCES

Landscape plans are being finalized for the three subdivision entrances. The design will include low-maintenance, leafy green/evergreen plants.

Once more during the month of October a vehicle speed sign was placed on Barkley and King James Streets in

our neighborhood to control speeding.

GOOD TO KNOW

Debris should be placed curbside, without blocking the roadway or storm drains. Separating into categories shown below.

The Correct Curbside Set Out

3 feet apart 3 feet apart 3 feet apart
