<u>District 4 Representative</u>	Sou Hayes
<u>District 5 Representative</u>	Ralph McMahon
<u>District 6 Representative</u>	Lorraine Woods
<u>District 7 Representative</u>	Becky Brown

Message from the B.A.N.A. President

Greetings to all neighbors! We are resolved to renew communications with our parish government contacts about two continuing topics of concern in our neighborhoods. Speeding motor vehicles on our two main streets will be the subject of a petition letter to DOTD - Traffic Engineering and our Metro Councilman. I hope to collect signatures at our upcoming meeting. Maintenance of the drainage ditches in our neighborhoods was announced in a letter last year from DOTD as receiving funding. We will request an update from the department about the status of this important work. I look forward to your ideas and participation in our association activities to benefit all residents. I appreciate the continuing efforts of our Officers and District Representatives.

John Krupsky, President
(225)-767-4684

ATTENTION!

We will have door prizes for four attendees, so plan to attend our next BANA

meeting scheduled for Sunday, January 29, 2023, at 3:00 PM at the Bluebonnet Library.

Election of Officers and District Representatives

Annual elections for officers and district representatives were held during our last meeting in July 2022., and Becky Brown accepted to be the representative for District 7 which represents Magnolia Chase Subdivision. **Thank you, Becky!**

Did you Know?

The web page for the Department of Transportation and Drainage at www.brla.gov/280/Transportation-Drainage has many informative links about Traffic Engineering and Stormwater Management

Streetlight outages and/or damage may be reported to 3-1-1 and the city-Parish will refer the request to the appropriate electrical provider or call 1-800- ENTERGY.

Report Blight such as Junk, Trash, or Debris on Private Property to <http://311.brla.gov/request-for-service/index.html>

DISTRICT 7 Report –Magnolia Chase Subdivision

New young families have moved into the Magnolia Chase Subdivision. **Welcome!**

News

Landscape plans are being finalized for the three subdivision entrances, and by the end of winter low maintenance greens will be planted on two entrances.

AT & T is installing fiber option underground cables to upgrade its network in the area.

Traffic Calming Measures- Last October, speed control signs were placed on Barkley

and King James streets. This was a second study that the city of Baton Rouge – Traffic Engineering

Office conducted to quantify the volume and speeding traffic through our neighborhood. The study revealed that volume of traffic does not qualify for the installation of speed bumps on the streets at this time. However, please continue to report speeding, parking, or stop sign violations in our neighborhood to the East Baton Rouge Parish Sheriff's Office - Traffic Enforcement at (225) 389-4851.
